Winter 2022/2023

Dear Friend of Fairness and Equality,

The year 2023 promises to be one of the most important years concerning civil and human rights in our lifetimes. Our Branch successfully advocated for the introduction of the HOPE Act (Hiring Outstanding Professionals in Education S7476/A5784) which will provide equal employment opportunity to all of New York's educators. And we hope to continue forging civil and human rights reforms by introducing laws that fortify equal opportunity across New York State and our nation.

To fund these and other initiatives in 2023, we will be hosting our Ninth Annual Long Island Legacy Gala in-person on Saturday, January 14, 2023 from 6:30pm to 11:30pm. We are blessed to have Roxanne Shante, one of the first female of Hip-Hop to be our keynote speaker. We hope that you will join us by purchasing a ticket on our website at www.islipnaacp.org/legacygala or by becoming a sponsor using the attached sponsorship form.

For Advancement,

William K. Moss III
President
